## ECO-CHALLENGE WEEKEND

Rappelling Mountain Biking  
Orienteering Hiking Cooking  
Fellowship with Troop 3

We will meet at the Christ the King bell tower at 5:00 on Friday, Dec. 14<sup>th</sup> to pack vehicles. We hope to depart between 5:20 and 5:30. We plan to return around Noon on Sunday. Remember, we travel in Class A uniforms.

All campers will need to bring a sack supper for Friday night as we will not cook on Friday.

We also suggest that all campers bring a water bottle that they can use for hiking. Campers will also need to bring a mess kit, compass for orienteering, and a bike if desired for mountain biking and all usual camping gear. Bring "orange", there may be hunters in the area.

All bikers must wear a helmet. Weather may be cold at night so bring layers and plenty of blankets.
